Re:

CONDITIONS around De Russey's Lane,  
Shots, etc.

I located the VALENTINE house referred to in statement of Sigourney Smith and have learned that at the time of the murder this house was occupied by Mrs. C. D. Greene - Mrs. Hoag residing in the small house in the rear of same. Mrs. Greene is a widow and at the present time she and her son are somewhere in California, the people who are in the house at the present time being more or less caretakers and are unable to say when she will return.

Respectfully submitted:
